

## Public Utilities Commission of Sri Lanka

### Implementation of 25% reduction on Monthly Electricity Bills of Eligible Government Institutions

The procedures approved by the Commission for the implementation of Government Budget Proposal 2011 on 25% reduction on monthly electricity consumption charge are as follows:

Government Schools, Hospitals, Vocational Training Institutions, and Universities which fulfill following criteria are eligible for 25% discount on electricity consumption charge, upon the registration with respective electricity service provider.

- Provide Services free of charge to the general public
- Funded through the national budget
- Fully owned by the Government

(These Criteria were prepared in consultation with Ministry of Finance)

We hereby request the eligible institutions to directly register with respective offices of electricity service provider; Ceylon Electricity Board or Lanka Electricity Company (Private) Limited.
