Dear Madam,

**Least Cost Long Term Generation Expansion Plan 2022-2041 Resubmission**

Secretary to Ministry of Power has conveyed the government policy in respect of the electricity industry by the letter ref.PE/TECH/D/42/03 dated Aug 04, 2021 as per section 5 of the Sri Lanka Electricity Act and section 30 of the Public Utilities Commission of Sri Lanka Act (copy attached).

Further it has stated the board of CEB has decided to proceed with the finalization of LCLTGEP of CEB pursuant to the government policy decision enshrined in "Vision to Prosperity" and to submit such draft plan for approval of the PUCSL.

Therefore you are hereby informed to resubmit the LCLTGEP 2022 – 2041 in line with government policy as stated in the cabinet decision 21/1352/321/012-1 dated July 27, 2021 which specifically states following National Determined Contributions of the Power Sector

- 70% renewable energy in electricity generation by 2030
- Carbon neutrality by 2050 in electricity generation
- No capacity addition of Coal power plants

In addition, the Commission wishes to draw your attention to fulfilling of following requirements in preparation of the amended draft LCLTGEP.

- Compliance with the technical and reliability requirements of the electricity network published in terms of section 43(8) of the Sri Lanka Electricity Act.
- Incorporating economic cost in terms of section 43(8) of the Sri Lanka Electricity Act
- Inclusion of implementation plans of the major power plants due in first eight years of the plan indicating major milestones
