Providing Uninterrupted Power Supply During GCE Advanced Level Examination

This has reference to your letter bearing reference PUC/LIC/2023/TL/01 dated 27th. January 2023, received at 12:33 hrs. by a fax, on the above subject.

I wish to inform that the Ceylon Electricity Board, has decided to continue with the scheduled demand management programme. The relevant section of the decision of the Board is as follows:

Quote

“The Board also directed the General Manager to seek permission from the PUCSL for the “scheduled power interruptions” explaining clearly the difficulties faced in obtaining fuel from CPC to operate thermal power plants, aggravated financial position etc. The Board also decided to continue with planned power interruptions until further notice.”

Unquote

The difficulties faced in obtaining fuel from CPC to operate thermal power plants, aggravated financial position etc. will be informed.

In this background, the scheduled demand management programme (as previously approved), is continued while anticipating your approval for the same.

Thanking you
