Peak (LKR/kWh)		112.00				90.00			
Day (LKR/kWh)		88.00				70.00			
Off Peak (LKR/kWh)		53.00				40.00			

Annexure-2

Conditions

1. CEB and LECO shall take immediate steps to ensure that consumers occupying all condominium properties are charged the applicable tariff for their category. CEB/ LECO may enter into agreements with the Management Corporations to ensure that common area consumption and other maintenance overheads are recovered through a service charge, as per Section 18(bb) of Sri Lanka Electricity Act, No. 20 of 2009 (as amended).
2. Consumption for streetlights shall be metered/estimated, billed and collected from the relevant Local Authority or the Road Authority.
3. Security deposits obtained from consumers shall be invested and interest shall be paid out of the return on the investment.
4. Interest on any security deposit obtained for the supply of electricity shall be paid/ deducted from the monthly bill of all consumers.
5. CEB shall execute Fuel Supply Agreements with CPC and Lanka Coal Company.
6. CEB shall establish the Power Purchase Agreements between CEB transmission and CEB generation plants, and the Power Sales Agreements between Distribution Licensees and CEB Transmission Licensee.
7. CEB owned power plants that does not have a generation license shall obtain a license within two months.
8. All due payments to Renewable Energy based electricity generators (including small scale roof top solar) shall be settled as soon as possible.
9. Operationalize Bulk Supply Transmission Account by CEB in two months time from the date of this decision.
10. Fixed charge for consumers with solar roof tops under Net Metering and Net Accounting schemes shall be charged the fixed charge applicable to their net imported energy. Thus, if they have a net export, the fixed charge will be the applicable fixed charge for zero consumption
11. CEB and LECO shall expedite the process of installing solar rooftop solutions for religious premises and shall report the Commission of the progress within two months time from the date of this decision.

Note – It is reiterated that the conditions 1,2,4,5,6,8 and 9 were communicated in tariff decision in February 2023 as well.
