

GENERAL INSTRUCTIONS TO SUBMIT AN ONLINE APPLICATION

1. Before fill an application, it is required to sign up with the LMS (click on **Create Account** button).

The image shows the 'Sign In' page of the PUCSL License Management System. At the top, there is a logo of a stylized eye. Below it, the text reads 'Welcome to PUCSL License Management System Sign In'. There are two input fields: 'User ID' and 'Password'. Below the 'Password' field, there is a checkbox labeled 'Remember me' and a link 'Forgot Password?'. A blue 'Sign In' button is centered below these fields. At the bottom, there is a link 'If you don't have an User ID -> Create Account'.

2. There are six types of applications as given below;
 - Application to obtain a generation license (Up to 25 MW)
 - Application to obtain a generation license (More than 25 MW)
 - Application to obtain a transmission license
 - Application to obtain a distribution license
 - Application to obtain a generation exemption (waiver from licensing requirements)
 - Application to obtain a distribution exemption (waiver from licensing requirements)

The image shows the 'I'm applying for' page. It has a heading 'I'm applying for' and a sub-heading 'Select the right option'. There are two main sections: 'License' and 'Exemption'. The 'License' section has a sub-heading '(Application to obtain a license)' and lists three types of licenses: 'Generation license - For power plant (hydro/ thermal/renewable/Other) owners/developers', 'Distribution license - For CEB, A Local Authority, A Company, A Society', and 'Transmission License - For CEB'. The 'Exemption' section has a sub-heading '(Application to obtain an Exemption from the requirement of obtaining a license)' and lists two types of exemptions: 'Electricity distribution and supply within limited areas/premises (high-rise buildings, shopping malls, condominium complexes, etc)' and 'Electricity generation under specific categories (Roof top Solar Generation, etc)'. Both sections have a table with 'New' and 'Extension' columns. The 'License' table has four rows, and the 'Exemption' table has two rows. Each row has a 'New' column, an 'Extension' column, and a right arrow. At the bottom left, there is a blue 'Back' button.

This screenshot shows the 'PUCSL License Management System' application form. The page has a blue header with the text 'PUCSL License Management System' and the date '2:36 PM January 3, 2024'. A navigation bar shows 'License > Generation License - 25 MW or Less Than 25 MW Generation Capacity'. A message at the top says 'For any clarification on filling application please contact Ms.Madushani via 0112232726'. Below this, there is a red button 'Save Draft' and a 'Print' button. A progress bar shows steps 1 through 6, with step 1 highlighted. The form is titled 'PART 1' and contains two main sections: '01 Name of the applicant :' and '02 Legal status of the applicant'. The first section has a text input field with a tooltip that says 'Provide legally registered name of the applicant. Eg. ABC Power (Pvt) Ltd'. The second section has a sub-section 'a) Legal status of the applicant' with a text input field. The page number '0 / 254' is visible in the bottom right corner.

7. Once the application is filled, **Submit** it to the LMS.

The screenshot shows a web application interface with a blue sidebar on the left containing icons for a home page, a document, a person, and a mail icon. The main content area has a white background and contains three numbered questions:

- 12** Copies of specifications, plans and drawings to a scale sufficient to show clearly all the buildings and structures proposed to be constructed, in order to carry out the activities under the licence to which the application relates. To the right of the text is a paperclip icon and a text input field containing the word "DRAWING".
- 13** Where the applicant is the Ceylon Electricity Board. To the right of the text is a dropdown menu with the word "Select" and a downward arrow.
- 14** If the answer for previous question is YES, a plan specifying the geographical area on which it is operating its activities as at present and an expansion plan indicating the geographical area in which it proposes during a period of fifteen (15) years from the date of this application, to expand its activities relating to generation of electricity, prepared in accordance with the general policy guidelines approved by the Cabinet of Ministers under Section 5 of the Sri Lanka Electricity Act, No. 20 of 2009. Below this text is a sub-question: "a) Supporting Documents if any :". To the right of this sub-question is a paperclip icon and a text input field containing the word "PLAN".

At the bottom of the form, there are two buttons: a light blue "Back" button and a dark blue "Submit" button. Below the buttons is a navigation bar with a series of circular buttons numbered 1 through 6. The button with the number 6 is highlighted with a blue border and a blue background, indicating the current step. There are also left and right arrow buttons at the ends of the navigation bar.

8. Then the PUCSL reviews the application and communicates the next steps to the provided email address submitted during the sign-up stage.
