Electricity Tariff Revision

Reference is made to your letter dated November 22, 2024 on the above subject.

Please note that by providing CEB an extension of two weeks for tariff submission until December 6, 2024 and considering time taken for tariff approval process according to the Sri Lanka Electricity Act of 2009, approved Tariff Methodology and Tariff Review Procedure Rules, the earliest possible date for tariff approval will be January 17, 2025.

However, considering your request made via aforementioned letter for two weeks extension for tariff proposal submission, you are hereby granted the two weeks extension. Accordingly, you are hereby required to submit the tariff proposal by December 6, 2024.

Failure to submit tariff proposal by December 6, 2024, the Commission will be compelled to implement the tariff revision clause of the Bulk Supply Transaction operational guideline to pass the positive balance of Bulk Supply Transaction Account to consumers.
