Dear Sir,

**Proposal for the Quarterly Electricity Tariff Review – I<sup>st</sup> Quarter of 2026**

This has referenced to your letter no. PUC/E/Tariff/01 dated 2025-11-20 requesting confirmation of the date for submitting the CEB tariff proposal for the first quarter of 2026.

Owing to the ongoing reforms activities, funding modality for the Voluntary Retirement Scheme of the CEB employees is yet to be decided in collaboration with Ministry of Finance and the Ministry of Energy in line with the Cabinet decision dated 2025-08-25.

In addition, the Department of Meteorology has issued advisories on developing adverse weather conditions associated with a potential cyclonic system in the Bay of Bengal in the coming week, which has affected the preparation of several inputs required for tariff formulation.

In view of the above, the CEB wishes to inform that the tariff proposal for the first quarter of 2026 will be submitted to the Commission on or before 2025-12-12, please.

Yours faithfully
