

## PRE-BID MEETING MINUTES

Consultancy on Implementation of A regulatory Traceability Mechanism For RCCBS (SLS1099) using Serialised qR Security labels

<b>Date</b>	12 June 2026
<b>Time and Venue</b>	2.00 p.m, 17 <sup>th</sup> Floor ,PUCSLpublished

### PURPOSE OF THE MEETING

This pre-bid meeting was convened by the Public Utilities Commission of Sri Lanka (PUCSL) to provide prospective bidders with an opportunity to seek clarifications on the Request for Proposals (RFP) for the appointment of a consultancy firm to conduct the consultancy on Implementation of A regulatory Traceability Mechanism For RCCBS (SLS1099) using Serialised QR Security labels

The meeting facilitated open discussion on the scope of work, evaluation criteria, financial proposal requirements, deliverables, and submission procedures.
