Dear Sir,

Re: Bulk Supply Cost Submission for 4th Quarter of 2026

This has reference to your letter dated August 13, 2026, No: PUC/E/Tariff/01 on above subject.

Please note that NSO is currently in preparation for the Bulk Supply Costs forecast for 2026 Q4. The monthly forecast of BESS capacities expected to be integrated into the system over the coming months is still being finalized. Completion of this forecast is necessary to finalize the Energy Generation Dispatch Forecast as well.

In view of the above, we kindly request an extension of the submission deadline up to September 04,2026, to allow sufficient time for the preparation of a more accurate and reliable submission.

Your kind understanding in this regard is highly appreciated.

Yours faithfully,
NATIONAL SYSTEM OPERATOR (PRIVATE) LIMITED
