Chief Executive Officer,
National System Operator Private Limited.

**RE: Bulk Supply Cost Submission for 4th Quarter of 2026**

Reference is made to Commission letter (Ref: PUC/E/Tariff/01), dated August 13, 2026, directing the NSO to submit the Bulk Supply Cost proposal for 4th quarter of 2026 and NSO letter (Ref: DIR(ET-DL)RA/BST), dated August 14, 2026, requesting an extension for the submission deadline for the above.

It is to be noted that the submission delay will inevitably delay the issuance of the decision on electricity tariffs. However, in calculating the tariffs for the 4th quarter of 2026, any deficit would be distributed over the entire quarter, irrespective of the tariff implementation date. Thus, NSO would have to bear all financial implications due to the implementation delays.
